"Relax"

Relax
Take your shoes off
Relax
What's your hurry?

As the days go hurryin', scurryin' by
You'll find yourself findin' a reason
To watch the world go by

Relax, ooh-oooh
Take your shoes off
Relax, umm-umm
Don't you worry

As the world goes helterin', skelterin' by
The sun will still wander across the sky

And if you stay with me
We'll grow wiser gracefully

Pah-pa-pa-pa-pa
Pah-pa-pa-pa-pa
Pah-pa-pa-pa-pa... fade out
