(Woods / Kirkland)

One two three four

[Chorus:]

Something's got a hold on me

Yeah must be love

Whoah something's got a hold on me right now

Yeah must be love

Well I got a feeling and I feel so strange

And everything about me seems to have changed

Step by step I gotta find me a walk

I even sound different when I talk

I said oh (oh) oh (oh) oh (oh) wow

Something's got a hold on me

And it must be love

[Chorus]

Well I never felt this way before

Something's got a hold on me and won't let go

Believe I'd fly just a whole day for you

It sounds so strange but it feels so good

I said oh (oh) oh (oh) oh (oh) wow

Something's got a hold on me

And it must be love

Well now my heart feels heavy and my feet feel light

I shake all over but I feel all right

I never thought this could happen to me

Well I'm in heaven when I'm in misery

Well I never thought this could be this way

Well I know baby that this is the day

Well I never thought it could be this way

But now you're gone It's been a-hurtin' on me

I said oh (oh) oh (oh) oh (oh)

Something's got a hold on me

And it must be love

You know it's like love
Talks like love
Yeah it feels all right
You know I feel all right
Walk like love now
Yeah walks like love
I'm talkin' about love yeah yeah yeah
Know about love
I feel all right now
Feel all right yeah yeah yeah
Well walks like love
Well talks like love all right

[Chorus]

I never felt this way before
Something's got a hold on me and won't let go
Believe I'd fly to just a whole day for you
It sounds so strange but it feels so good

I said oh (oh) oh (oh) oh (oh)
Something's got a hold on me
And it must be love
Yeah it must be love
Whoa it must be love
