Time is here, the moments right
There's nothin' left for me to fight
Fill me no favours if I'm lonely tonight

All alone on my own gotta be the only way
Finally it looks like we've got nothin' to say
I don't mind. You gotta be cruel to be kind
And all we do all day is fight
You say wrong and I say right

Ahh, take my love and run
Get out before the morning sun
I gave you all I had and more in vain
Ahh, you won't do this to me again
No, you won't do this to me again

Whoah, whoah, oh-oh-oh

I don't mind. You gotta be cruel to be kind
We're in the life we started
Just a little more broken hearted, ahh

Ahh, take my love and run
Get out before the morning sun
I gave you all I had and more in vain
Ahh, you won't do this to me again
No, you won't do this to me again

Take my love and run

Get out before the morning sun
I gave you all I had and more in vain
Ahh, you won't do this to me again
No, you won't do this to me again

Whoah, whoah, oh-oh-oh
Take my, take my love and run
Get out before the morning sun

Ahh, take my love and run (ahh, take my, take my)
Get out before the morning sun (the morning sun)

I gave you all I had and more in vain
Ahh, you won't do this to me again
No, you won't do this me again

Take my love and run (ahh, take my, take my)
Get out before the morning sun (the morning sun)
I gave you all I had and more in vain
Ahh, you won't do this to me again
No, you won't do this me again

Whoah, whoah, oh-oh-oh
