"The Very Last Day"

Everybody's gunna pray,
On the very last day,
When they hear that bell,
Ring the world away,
Everybody's gunna pray to the heavens on the
judgement day.

Well you sing the great King David,
Andy you preach about the wisdom of Saul,
But the judgement falls on all mankind,
When the trumpet sounds are called,
All people live the same,
When The Lord he calls your name,
Get ready brothers for that day,

Everybody's gunna pray,
On the very last day,
When they hear that bell,
Ring the world away,
Everybody's gunna pray to the heavens on the
judgement day.

Well someday soon all men will stand,
His words will be heeded in all the land,
Then men shall know and men shall see,
We all are brothers and we all are free,
Mankind was made of clay,
Each of us in the very same way,
Get ready brothers for that day

Everybody's gunna pray,
On the very last day,
When they hear that bell,
Ring the world away,
Everybody's gunna pray to the heavens on the
judgement day.

When the law is given and the law is known,
The tale is told and the seed is sown,
From dust we came and to dust we'll go,
We know, The Lord once told us so,

Each brother take his hand,
Heed the meaning of The Lords command,
Get ready brother for that day

Everybody's gunna pray,
On the very last day,
When they hear that bell,
Ring the world away,
Everybody's gunna pray to the heavens on the
judgement day,
Judgement day
Judgement day
Judgement day
