Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

He asked for you to love one another  
You turned your back and played on with your games  
If you had listened, you would have discovered  
The Bible would have told a different story

Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

I'm sick and tired of this old world  
Theres so many religions to believe in  
If I had been alive at the time  
I'd known where and what and why I am

Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

You got to believe  
(Gotta believe)  
You got to believe  
(Gotta believe)  
You got to believe  
(Gotta believe)

You got to believe  
(Gotta believe)  
You got to believe  
(Gotta believe, gotta believe, gotta believe)  
(Gotta believe, gotta believe, gotta believe, gotta believe)

You crucified the man who came to save us  
Forgive them for they know not what they do  
But I cannot forgive you what you did

I believed, why couldn't you?

Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

Why didn't you believe in him?  
Why didn't you believe?  
Why didn't you believe in him?  
Why didn't you believe?

Why didn't you believe in him?  
Why didn't you believe?
