I'll be true to you yes I will  
I'll be true to you yes I will  
I won't look twice when the other girls go by  
I'll be true to you yes I will

Somehow this time it's all so clear to me  
The way to go is easy to see  
My heart is sure you're the girl I've waited for  
I'll be true to you yes I will

Yes I will  
I used to be the kind  
Who said that every girl's the same  
And love was just a game for havin' fun  
But when I looked at you  
I knew that I was wrong  
And that I really could belong to only one

I'll be true to you yes I will

Every dream that you have I'll fulfil  
I never promised this to any girl before  
but I'll be true to you yes I will

break

I never promised this to any girl before  
But I'll be true to you yes I will

Yes I will  
Yes I will  
Yes I will  
Oh, yes I will
