You love 'cos you like it
You like it because you're lovin' me
You touch 'cos you like it
You like it because you're touchin' me

You kiss 'cos you like it
You like it because you're kissin' me
You hold 'cos you like it
You like it because you're holdin' me

When we first met some time ago
I didn't know what it'd be like
Just because I'd been hurt before
I didn't know it could work out
I didn't know it could work out
I got something to shout

You love 'cos you like it
You like it because you're lovin' me
You kiss 'cos you like it
You like it because you're kissin' me

It came so easily
Now I don't want to be free
'Cos somethin' in my heart
Tells me I wanna be a part of you

It came so easily
Now I don't want to be free
'Cos somethin' in my heart
Tells me I wanna be a part of you

You love 'cos you like it
You like it because you're lovin' me
You kiss 'cos you like it
You like it because you're kissin' me

You love 'cos you like it
You like it because you're lovin' me
You kiss 'cos you like it
You like it because you're kissin' me
