### Verse 1

You never loved me you wanted him  
You played me like a fool and left me on a whim  
You should have killed me it would have helped  
As I just stood there and then I yelled

### Chorus

I am always second best  
I am never good enough for you  
Is it because I'm insecure  
Or is it all the things I do  
To You?

### Verse 2

I only took you I had no choice  
You weren't wanted by any other boys  
You only took me 'cause they didn't want you  
That is all I could hop for

### Chorus

I am always second best  
I am never good enough for you  
Is it because I'm insecure  
Or is it all the things I do  
To You?

### Bridge

Now I am so depressed I don't know what to do  
anymore

Is it because you're secure or is it 'cause you're so  
damn sure  
Of yourself  
So damn sure of yourself  
So damn sure

### Final Double Chorus

I am always second best  
I am never good enough for you  
Is it because I'm insecure  
Or is it all the things I do  
To You?  
I was always second best  
I was never good enough for you  
Is it because I was insecure  
Or was it all the things I do  
To You?
