Woohooooo woohoooo

They say money talks
But it never answers me, no
Here's my calls
Never a penny spared to
Buy all my thoughts
All the reaching reasons
They are never bought
Just like the seasons
Can't be caught

So I say

Drop behind for a jukebox sunshine
Set the fast on fire woohooooo woohoooo

We had a dream,
You woke up screaming
And you've led to scene
Yeah you were leaving for your
That's just a cream
I guess you don't believe in dreams not like me
And I won't let you chase my dreams away

So I say
Drop behind for a jukebox sunshine
Set the fast on fire woohooooo woohoooo

Drop behind for a jukebox sunshine
Set the fast on fire woohooooo woohoooo

You've got there's space and time
You've got a call in the after laugh
Come on shake your wings like a butterfly
You've got the money for the parking fine
I know I don't. Won't you give me a loan?
Won't you leave me alone?
Coz I just want to have a good time
Throw the past into the night
So I say to you

Woohooo woohooo

Drop behind for a jukebox sunshine
Set the fast on fire woohooooo woohoooo

Drop behind for a jukebox sunshine
Set the fast on fire woohooooo woohoooo
