Verse 1:

Hello there stranger
You've been walking round my mind
Planting seeds of memories
That I can't wait to find.
It's been little over a week
Since I realised how I feel for you
Is more than what acquaintances should do.

Chorus:

But I'll make you mine
Cause I know you want it too.
One day we'll be together
I promise you.
I'll make you mine
Because you are everything to me.
I'm not another cliché
I just want to make you happy.

Verse 2:

Hello there stranger
I'm afraid to let you know
Just how far I've fallen for you
And how far I'd go
Just to have you by my side, my dear
Just to look into your eyes
I'd tell you that I love you
And smile at your surprise.

Chorus:

And I'll make you mine
Cause I know you want it too.
One day we'll be together
I promise you.
I'll make you mine
Because you are everything to me.
I'm not another cliché
I just want to make you happy.

Verse 3:

Hello there stranger
You've been walking round my mind

Planting seeds of memories.
