It's raining again
Tell me something I don't know
This place can make you dizzy
Sweet dream didn't show
Walked across the finish line
Would you believe?
Yeah...
It's raining again
I won't say I didn't know
That it would come so early
My clock radio playing static every time
And breaking up my pearly tea stained
Smile if you can
I'm with you till the end
That's all I wanna do
It's raining again
And you're cutting in and out
Like intermittent heart-ache
Yeah, I saw the sign
It said slippery when wet
The water's washing out your painted
Smile if you can
I'm with you till the end
That's all I wanna do
Smile if you can
I'm with you till the end
That's all I wanna do
Till the end
That's all I wanna do
