Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone

She said someday I feel like shit  
Somedays I wanna quit and just be normal for a bit  
I don't understand why you have to always be gone  
I get along but your trips always feel so long  
And I find myself trying to stay by the phone  
'Cause your voice always helps me to not feel so alone  
But I feel like an idiot, working my day around a call  
And when I pick up I don't have much to say, so

I want you to know it's a little fucked up that  
I'm stuck here waiting, at times debatin  
Telling you that I've had it with you and your career  
Me and the rest of the family here singing

Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone  
Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone  
Please come back home

You know, the place where you used to live  
Used to barbeque with burgers and ribs  
Used to have a little party every halloween  
with candy by the pile but now  
you only stop by every once in a while  
Shit  
I find myself just filling my time  
With anything to keep the thought of you from my mind  
I'm doing fine and I'm plannin' to keep it that way  
You can call me if you find that you have something to  
say  
And I'll tell you

I want you to know it's a little fucked up that  
I'm stuck here waiting, at times debating

Telling you that I've had it with you and your career  
Me and the rest of the family here singing

Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone  
Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone  
Please come back home

I want you to know it's a little fucked up that  
I'm stuck here waiting, no longer debatin'  
Tired of sittin and hatin' and making these excuses  
For why you're not around, and feeling so useless  
It seems that one thing has been true all along  
You don't really know what you've got till it's gone  
I guess I've had it with you and your career  
When you come back I won't be here and you can sing  
it

Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone  
Where'd you go?  
I miss you so  
Seems like its been forever that you've been gone  
Please come back home

Please come back home  
Please come back home  
Please come back home  
Please come back home
