If I expected love
When first we kissed,
Blame it on my youth.
If only just for you I did exist,
Blame it on my youth.
If I believed in everything
Like a child of three.
You meant more than anything,
All the world to me.
If you were on my mind
Both night and day,

Blame it on my youth.
If I forgot to eat or sleep or play,
Blame it on my youth.
If I cried a little bit
When first I learned the truth,
Please don't blame it on my heart
Please don't blame it on my heart
Please don't blame it on my heart,
Blame it on my youth.
