Cry if you want to
I won't tell you not to.
I won't try to cheer you up,
I'll just be here if you want me.
It's no use in keeping a stiff upper lip,
You can weep, you can sleep
You can loosen your grip.
You can frown, you can drown
And go down with the ship.
You can cry if you want to.

Don't ever apologise venting your pain,
It's something to me you don't need to explain.
I don't need to know why,
I don't think it's insane.
You can cry if you want to.
The windows are closed,
The neighbours aren't home,
If it's better with me than to do it alone,
I'll draw all the curtains,
And unplug the phone
You can cry if you want to.

You can stare at the ceiling,
And tear at your hair,
Swallow your feelings,
And stagger and swear.
You can show things and throw things
and I wouldn't care.
You can cry if you want to.
I won't make fun of you.
I won't tell anyone.
I won't analyze what you do
Or you should have done.
I won't advise you to go and have fun.
You can cry if you want to.

Well it's empty and ugly
And terribly sad.
I can't feel what you feel,
But I know it feels bad.

I know that its real
And it makes you so mad.
You can cry.
Cry if you want to,
I won't tell you not to.
I won't try to cheer you up.
I'll just be here if you want me to be near you.
