I've just seen a face
I can't forget the time or place
But we've just met
He's the boy for me,
I want all the world to see we've met.

Had it been another day,
I might have looked the other way,
And i'd have never been aware
As it is i'll dream of him tonight.

Fallin, yes i am fallin
and he keeps callin me back again.

I have never known the likes of this
I've been alone
And i have missed things
Kept out of sight
Other boys were never quite like this.

Fallin, yes i am fallin
and he keeps callin me right back again
I am fallin, yes i am fallin
and he keeps callin me right back again
lets go.....
