If it takes forever, I will wait for you
For a thousand summers, I'll wait for you
'Til you're here beside me, 'til I'm touching you
'Til I hear you sigh I'll wait for you

Anywhere you wander, anywhere you go
Everyday just remember, how I love you so
In your heart believe what in my heart I know
That forever more I'll wait for you

The clock will tick away the hours one by one
Then the time will come when all the waiting's done
The time when you return and find me here and run
Straight to my waiting arms

The clock will tick away the hours one by one
Then the time will come when all the waiting's done
Time when you return and find me here and run
Straight to my arms

If it takes forever, I will wait for you
For a thousand summers, I will wait for you
'Til you're here beside me, 'til I'm touching you
Yes, forever more I will wait for you
