Loving you is not a choice
Its who I am
Loving you is not a choice
Its not much reason to rejoice
It gives me purpose
Gives me voice to say to the world
This is why I live
You are why I live
Loving you is why I do the things I do
Loving you is not in my control
Loving you I have a goal of what's left in my life

I will live and I would die for you
You give me purpose
You give me voice to say to the world
This is why I live
You are why I live
Loving you is why I do the things I do
Loving you is not in not in my control
But loving you I have a goal of what's left in my life
I will live and I would die for you
