You're my thrill  
You do something to me  
You send chills right through me  
When I look at you 'cause you're my thrill

You're my thrill  
Oh, how my pulse increases  
I just, I just go to pieces  
When I look at you 'cause you're my thrill

Nothing seems to matter, ooh  
Here's my heart on a silver platter  
Yeah, where's my will?

Tell me why this strange desire  
That keeps, keeps mounting higher?  
When I look at you I can't keep still  
'Cause you're, yeah, you're my thrill

Nothing seems to matter  
Here's my heart on a silver platter  
Where's my will?

Why, why this strange desire?  
That keeps mounting higher  
When I look at you I can't, can't keep still  
'Cause you're, yes you, you're my thrill
