And everything else slipped away,
World took it's time,
We still had things left to say,
And sometimes the right things don't shine,
There's not always room and there's not always time,
There's lovelier things in the sky,
And I'm looking upward,
I can't tell you why,
There's nothing but dust in our hands,
We're doing the best that we can,
Oh, we're doing the that we can,
We're doing the best that we can.
