I'm trying to spin you gold
I'm trying to draw you some so you won't run tens and
tens into
Into one

Spaces here for you to know
Silences for you to fill
Dressed in hope my heart will hold you so
You so still

Happy song
Who do you belong to now
Swimming through the sky
The stars won't start to tell me why
Oh
I'm here

Trace the tails like a map
Sketch me out across your wall
Watch me darling
Fade away
Watch me
Watch me fall

Happy song
Who do you belong to now
Swimming through the sky
The stars won't start to tell me why
Oh
I'm here

I've been drawn between myself and someone I don't
know
I'm someone I don't know

Happy song
Who do you belong to now
Swimming through the sky
The stars won't start to tell me why
Oh
I'm here

I'm here
I'm here
