I'd walk back
Into the time we never had
Truth be told
I never thought I'd feel this bad
But I do

Swallow down
There's nothing more for me to do
Than let this die
'Cause there's not room for this and you
In this heart

So I'll stop before I'll start
To understand this love

[Chorus]
I've got my back
Against a wall here
And I know you just called to say "Hi"
But you know you feel
Too much like home dear
And I've got to learn
How to get by

Splinter truth
I've got no means to find this end
Lost and bent
I'll walk this walk and just pretend
I can breath

I turned around but I can't leave
I never planned this love

[Chorus]

And I'm no fool well
But I'll never tell you how
But the price was paid
Oh and still I stayed here

I've got my back
Against a wall here

And I know you just called to say "Hi"
But you know you feel
Too much like home dear
And I've got to teach myself
Goodbye

Ah ah ah
Ah ah ah
Ah ah ah
Ah ah ah
