I wouldn't be told,
I couldn't care less

When they said ya run cold
I said I'll run that risk

They said your love is like ice,

Your kisses will freeze
(I couldn't care less)

Your touch is a lie

I had to feel to believe
I had to!

I couldn't be wrong
(To love you is hell)

They couldn't be right
(To kiss you is pain)

When they said you run cold
(To touch you is to burn)
I said I'm burnin alive
(I had to,)

Your love is like fire
Your kisses but flames
Your touch is alive
I wish I'd stayed away
I wish I'd stayed away
To love you is cursed
And I wish I'd stayed away
To kiss you is pain
I wish I'd stayed away
To touch you is to burn
I wish I'd stayed away
I wish I'd stayed away

I wish I'd stayed away
