Ain't nobody gonna love you like the devil do,
Ain't nobody gonna love you like the devil do.
You can dunk me in the river, gonna clean my sin,
But you might as well dunk me in a bucket of gin;
Ain't nobody gonna love you like the devil do.

Ain't nobody gonna love you like the devil do,
Ain't nobody gonna love you like the devil do.
I got drunk on whiskey, drunk on wine--
The Lord don't like it but the devil don't mind;
Ain't nobody gonna love you like the devil do.
Ain't nobody gonna love you like the devil do,
Ain't nobody gonna love you like the devil do.
Well I've been to church, and I declare,
They ain't got nothin' I could learn in there;
Ain't nobody gonna love you like the devil do.

Ain't nobody gonna love you like the devil do,
Ain't nobody gonna love you like the devil do.
Well, I ain't been saved, honey; what for?
If I went to heaven I would only be bored;
Ain't nobody gonna love you like the devil do.
Ain't nobody gonna love you like the devil do,
Ain't nobody gonna love you like the devil do.
Gonna get drunk, get my gamblin' on,
Gonna get real dirty, gonna get real gone;
Ain't nobody gonna love you like the devil do.
