Verse 1:

From the picture on the wall
To the bed post that touched them all
This is where I live
This is where I do my screamin'
How do you say, I love you in so many other ways?
This is where I live
This is what I do best

Chorus:

Dreamin' with so much ugliness
Wakin' up to all this beautiful blue
Beautiful you

Verse 2:

From the time I walked in
To the point that we're both arguin'
This is how I live
This is where I start screamin'
How do you say, I've always felt this way?
This is where I live
This is what I do best

Chorus:

Dreamin' with so much ugliness
Wakin' up to all this beautiful blue
Is beautiful you

Dreamin' under that ugliness
Wakin' up to all this beautiful blue

Dreamin' under that ugliness
Wakin' up to all this beautiful blue
Beautiful you

Beautiful you
