Maybe I'm a coward, I'm only scared of you
Or maybe I'm just tired of living here
I'm alive and I'm aware
Of what's going on around here

'Cause I'm a coward, I'm neurotic
I'm just tired of living in here
I'm depressive, I'm obsessive
I'm just tired of living in fear

Maybe my depression is all in my head
It maybe my obsession to feel sorry for myself
I'm alive and I'm aware
Of what's going on around here

'Cause I'm a coward, I'm neurotic
I'm just tired of living in here
I'm depressive, I'm obsessive
I'm just tired of living in fear
I'm a coward

Maybe I'm a coward
I'm only scared of you
Yes, I'm scared of you
'Cause I'm alive and I'm aware

I'm a coward, I'm neurotic
I'm just tired of living in here
I'm depressive, I'm obsessive
I'm just tired of living in here

I'm a coward, I'm neurotic
I'm just tired of living in here
I'm depressive, I'm obsessive
I'm just tired of living in fear
I'm a coward
