I'm still thinking about Elmo
Elmo 5 o'clock special
I'm still thinking about you
A thousand ways to kill you

I'm still dreaming in pink
Gives me the reason to think
When I lay down my head I'm still okay
When I lay down my head to go to bed

Where do you fit in?

Didn't say to come in
Where the hell have you been
I can see you're excited
You can tell you're invited

Justify your evil ways
Make up for lost days
Didn't mean to close the door
When I threw you to the floor
Didn't mean to close the door
On my personal whore

Where do you fit in?
Where do you fit in?

You run out of expression
You let me make a suggestion
You've left a scratch on my face
I can see to this day

You're no innocent man
Come and catch me if you can
Didn't have the time of day
But I fucked him anyway
Didn't have the time of day to play

Where do you fit in?
Where do you fit in?

I'm still thinking about Elmo

Elmo 5 o'clock special
I'm still thinking about you
A thousand ways to kill you

I'm still dreaming in pink
Gives me the reason to think
When I lay down my head I'm still okay
When I lay down my head to go to bed

Where do you fit in?
Where do you fit in?

Where do you fit in?
'Cause I'm still thinking about Elmo
And where do you fit in?
And where do you fit in?

And where?
