And I don't want to be without you
And I can't think of anything without you

He's got a porno mouth
He's got a porno grin
He's got a porno mouth
Got a porno grin
He's got porno within him

I watch the TV realizing you're for me
And I watch my skin, watch my skin crawlin'
When I'm thinking of him, he's everything but beautiful

And you've got everything you need
And you've got everything but me

He's breathing my voice
He's inhaling my skin
He's breathing my voice
Inhaling my skin
He's got me within him

I watch the TV realizing you're for me
And I watch my skin, watch my skin crawlin'
And I watch my window and I see all the people
And I watch my skin, watch my skin crawlin'
When I'm thinking of him, he's everything but beautiful

He's everything but beautiful
And I'm in love with him

I watch the TV realizing you're for me
And I watch my skin, realize it's crawlin'
And I watch my window and I see all the people
And I watch my skin, I watch my skin crawlin'
When I'm thinking of him, he's everything but beautiful
