Spoke too fast about my past
I had a blast, I talk in circles
Speech impaired, I'm not quite clear
Of what I'm saying, I run in circles
Around myself

Crazy mirror of me, oh
The only question is for myself, oh
And my question would be
Oh, oh, oh, what am I doing here?

I am not aware the damage here maybe
Too far beyond repair
All I do is think of you, I'm too consumed
Can't always have you
Around myself

Crazy mirror of me, oh
The only question is for myself, oh
And my question would be
Oh, oh, oh, what am I doing here?

What am I doing here?
What am I doing here?
What am I doing here?

What am I doing here?
What am I doing here?
What am I doing here?
And what am I doing here?

Crazy mirror of me, oh
The only question is for myself, oh
And my question would be
Oh, oh, oh, what am I doing here?
Oh, oh, what am I doing here?
