I lost my friend
Near the water
And I loved her
Though she left me

She smiled, she kissed me
She swam away
I loved my friend
Near the water

She loves me
She loves me

I'll crouch beneath the boat
I'll learn to breathe
When I fall asleep
I wanna die in water

Crouch beneath the boat
I'll learn to swim
Soon I'll have fins
I wanna die in water
I wanna die in water

Every time I turn around
And I'm scared they'll see me
And every time I turn around
And there's still no smile

And my eyes, they hurt
From all the rubbing
And my mind, it hurts
From my eyes

I'll crouch beneath the boat
I'll learn to breathe
When I fall asleep
I wanna die in water

Crouch beneath the boat
I'll learn to swim
Soon I'll have fins

I wanna die in water

I wanna die in water
I wanna die in water
I wanna die in water

She loves me
She loves me

And I'll crouch beneath the boat
I'll learn to breathe
When I fall asleep
I wanna die in water

Crouch beneath the boat
I'll learn to swim
Soon I'll have fins
I wanna die in water

I wanna die in water
I wanna die in water
I wanna die in water
I wanna die
