Get together, get married  
Have a party, have a baby  
Isn't it wonderful?  
Won't it just be wonderful?

Then get a better job  
And get some money  
Then get a brand new car  
Get somewhere sunny

Isn't it wonderful?  
Won't it just be wonderful?

A fourteen year old moment  
Is fourteen hundred miles away  
And a fourteen year old moment  
Ain't got nothing on today

Then you got bored, then you got lazy  
Then you got horny, things got too crazy  
But you were so good, oh, yeah, yeah  
You were so good

A fourteen year old moment  
Is fourteen hundred miles away  
A fourteen year old moment  
Ain't got nothing on today

A fourteen year old moment  
Is fourteen hundred miles away  
And those fifty golden candles  
Ain't got more than a flame  
No more than your name

So get out, get over it now  
Get under, get by  
Get somebody else

Get a friend, get a neighbor  
Get a dog, get yourself a savior  
Pick yourself up, pick yourself up  
Knock yourself out

A fourteen year old moment  
A fourteen year old moment  
Ain't got nothing on today  
Oh yes

A fourteen year old moment  
Is fourteen hundred miles away  
A fourteen year old moment  
Ain't got nothing on today

Come on now
