Why you look so strange?  
Are you mad at me?  
Was it something I said?  
Have I acted carelessly?

Somebody left you these flowers  
Oh, and here's the card  
I couldn't help but read it  
Someone's trying hard

Now who's this vying for a slice of my pie?  
Someone's trying for my baby

Somebody said what now?  
That I did what now?  
That I did what to you with who now?  
Somebody said I did it and now you believe it  
Oh, baby please believe in me

'Cause someone around here is lying  
Listening nodding double crossing spying  
I didn't do you wrong, baby  
I don't know what you're talking about  
I loved you since I saw you  
And that's what I'm talking about

Now who's this vying for a slice of my pie?  
Someone's trying for my baby

Somebody said what now?  
That I did what now?  
That I did what to you with who now?  
Somebody said I did it and now you believe it  
Oh, baby please believe in me

Someone here is jealous  
I don't know why  
Maybe sometimes I attract some other fellas  
It's not my fault they feel me  
But baby I feel only you

How you gonna hear a thing like that?

Somebody said what now?  
That I did what now?  
That I did what to you with who now?  
Somebody said I did it and now you believe it  
Oh, baby please believe in me
