

Holly Valance "Hush Now"

Visit "[Hush Now](#)" on MotoLyrics.com

Boy we've been talking
'Bout this and that
I like it fine but
I love the strife
Here's my suggestion
Don't need no words
Get on your feet and if you see
Breathe deep and follow me

I wanna see you working what you got
'Cos that's how I like it
That's how I wanna last it on and on
Are you ready or not?

Touch down
Zip it
Don't stop moving your body on the dancefloor
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel your base bass
You move across the dancefloor
Zip it
'Cos that ain't what you came here for

Oh oh
Oh oh

So no talk but baby
Don't take offense
'Cos we're on the same vibe
Boy when we dance
Your body language
No need for words
You'll do me good
And it's understood
I feel your need

I wanna see you working what you got
'Cos that's how I like it
That's how I wanna last it on and on

Are you ready or not?

Touch down

Zip it

Don't stop moving your body on the dancefloor

Flip it

Rock that so phat

You're shaking on the dancefloor

Now dip it

Feel your base bass

You move across the dancefloor

Zip it

'Cos that ain't what you came here for

Touch down

Zip it

Don't stop moving your body on the dancefloor

Flip it

Rock that so phat

You're shaking on the dancefloor

Now dip it

Feel your base bass

You move across the dancefloor

Zip it

'Cos that ain't what you came here for

Touch down

Zip it

Flip it

Rock it

Let me hit it

On the dancefloor

Hush now

Zip it

Flip it

Rock it

Let me hit it

On the dancefloor

Whoa

I wanna see you working what you got

'Cos that's how I like it

That's how I wanna last it on and on

Are you ready or not?

Touch down

Zip it

Don't stop moving your body on the dancefloor

Flip it

Rock that so phat

You're shaking on the dancefloor
Now dip it
Feel your base bass
You move across the dancefloor
Zip it
'Cos that ain't what you came here for

Touch down
Zip it
Don't stop moving your body on the dancefloor
(Move your body on the dancefloor)
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel your base bass
You move across the dancefloor
Zip it
'Cos that ain't what you came here for

Hush now
Zip it
Flip it
Rock it
Let me hit it
On the dancefloor
Hush now
Zip it
Flip it
Rock it
Let me hit it
On the dancefloor
