Baby come over here
And taste me
Won't you feel my lips
And take me deeper into your arms
Mesmerising
Way you got my Venus rising
Visualising your skin melting into mine
Open up, I'm coming in

Lie back
Explore original sin
Open up, I'm coming in

I'm coming up on it
It's getting so hypnotic
Your love's hypnotic
Surrender your mind
It's a beautiful way to fly
And lose yourself as we rise
Hypnotic
Time is locked into the pulse inside us

In a place they'll never us
Naked, sacred and pure
Rhythm so intoxicating (cating)
Letting go and we're free falling
Hearts racing (racing)

Going, going, gone
Open up, I'm coming in
Explore original sin
Open up, I'm coming in

Lie back

It's getting so hypnotic
I'm coming up on it
Your love's hypnotic
Surrender your mind
It's a beautiful way to fly
And lose yourself as we rise
Hypnotic

Hypnotic, so hypnotic
Open up, I'm coming in
Open up, I'm coming in
So hypnotic
Coming up on it
So hypnotic

I'm coming up on it
So hypnotic
Your love's hypnotic
It's a beautiful way to fly
Surrender your mind
And lose yourself as we rise

Hypnotic
So hypnotic
I'm coming up on it
Your love's hypnotic
And lose yourself as we rise
It's a beautiful way to fly
Surrender your mind
Hypnotic
