You don't need to hang around
You don't need to talk right now
Gotta feeling, it's a mistake
Gotta feeling, it's gonna break
Some days, sometimes just don't feel right

Too hot to touch
It's getting too much
You know it's just a state of mind
Driving you wild
You're torn up inside
You know it's just a state of mind
State of mind

All I need is to breathe
All I need is to believe
Gotta have it, now I know
Gotta have it, take it slow
Some days, sometimes it just goes right

Too hot to touch
It's getting too much
You know it's just a state of mind
Driving you wild
You're torn up inside
You know it's just a state of mind
State of mind

State of mind
State of mind
Ahhh
Too hot to touch (Yeah)
Ahhh
(It's my state of mind)
Driving you wild
(I was driving you wild)

Too hot to touch
It's getting too much
You know it's just a state of mind
Driving you wild
You're torn up inside

You know it's just a state of mind
State of mind

State of mind
State of mind

Too hot to touch
It's getting too much
You know it's just a state of mind
Driving you wild
You're torn up inside
You know it's just a state of mind
State of mind
