My name is Holly  
And I like

I'm so glad that you asked me out tonight  
Our conversation over dinner was really nice  
But don't forget you still owe me dessert

It's twelve and we missed the late show  
So let's head over to this joint that I know  
Every time I take someone it's always such a ride

But there's a dress code  
You've got to follow  
There's no exceptions  
And once you're in

If you want T M A  
You better need to be  
Quit breakin'  
But before you enter  
Tuck your shirt in

No way you'll get rid of  
The other clothes  
If you don't follow this  
One moment  
Tuck your shirt in

La la la la la, la  
La la la la la, la  
La la la la la, la, la

We're probably gonna need to call a cab  
Ten minute walk over there and back  
But I think it's best  
We save our energy

Tonight, I'm really on the grind  
Otherwise I'd normally wait a while  
Before I'd ask  
Somebody to my party

But there's a dress code  
You've got to follow  
There's no exceptions  
And once you're in

If you want T M A  
You better need to be  
Quit breakin'  
But before you enter  
Tuck your shirt in

No way you'll get rid of  
The other clothes  
If you don't follow this  
One moment  
Tuck your shirt in

Ah  
Uh  
La la la la la, la  
La la la la la, la  
La la la la la, la, la

But there's a dress code  
You've got to follow  
There's no exceptions  
And once you're in

(No)  
If you want T M A  
You better need to be  
Quit breakin'  
But before you enter  
Tuck your shirt in  
(Whoa, oh)

No way you'll get rid of  
The other clothes  
If you don't follow this  
One moment  
Tuck your shirt in

T M A  
You better need to be  
(You better)  
Quit breakin'  
(Ya)  
But before you enter  
(Ya)  
Tuck your shirt in  
(Oh)

No way you'll get rid of  
The other clothes  
If you don't follow this  
One moment  
Tuck your shirt in

La la la la la, la  
La la la la la, la  
La la la la la, la
