Hey you!
I wanna fuck you
I wanna fuck you
I wanna fuck you
Into the night until
I can't give you anymore
But you won't let me
Thinking 'bout a bad lay,
Hey hey hey, used and abused in
Such a bad way yeah

I'm just a wannabe!
Such a wannabe
I couldn't do it if I tried.....
Not even if I tried...

I'm sexually done with
Using the jonnies
For nipple ripples instead
Of using them for my honeyz
Can't I do it right?
Not tonight, no not tonight
I can't do anything right

(CHORUS)

Whoa, yeah, man I need some loving
You're just a mug, and you'll do.
Whoa, honey, I need some sucking
You're just a mug, and I'll do for you.

(CHORUS)

Uh-huh, never been, uh-huh, so horny, never been uh-
uh no no,
Never been so uh-huh, never so horny in my uh-huh,
can't it be
Such good times, cuz I never been so horny, in all my
life!
