It's after twelve,
Can't face the day yet.
Reminds me how hard it can be to forget.
I said things I didn't mean,
You saw things you shouldn't have seen.

Chorus:
Bin a naughty girl,
Real bad so and so.
Done too many things a girl shouldn't know.
I swear I never knew I could hurt you so.
One too many things a girl shouldn't know.

Can't take the sadness from your eyes,
Can't put the truth back in my lies (Whoah Whoah
Whoah)
Don't make me try and explain,
Lets just start over again.

Chorus:
Bin a naughty girl,
Real bad so and so.
Done too many things a girl shouldn't know.
I swear I never knew I could hurt you so.
One too many things a girl shouldn't know.
The more you try to stay,
The more I let you go.
Done one too many things a girl shouldn't know.
I swear I never knew I could hurt you so.
One too many things a girl shouldn't know.

Won't stop and try to turn the clock back,
I won't beg I'm no good at that.
Too late to start and act like a saint,
Can't be somethin' that I ain't.

Chorus:
Bin a naughty girl,
Real bad so and so.
Done too many things a girl shouldn't know.
I swear I never knew I could hurt you so.

One too many things a girl shouldn't know.
The more you try to stay,
The more I let you go.
Done one too many things a girl shouldn't know.
I swear I never knew I could hurt you so.
One too many things a girl shouldn't know.

Bin a Naughty Girl, Bin a Naughty Girl.
