Bust open the window, rip down the blinds
I'm sick of hiding from the sweet sunshine
'Cause it ain't, ain't getting me nowhere

I've been locked up in this house for way too long, yeah
I'm sitting around singing sad, sad songs
And it ain't, ain't getting me nowhere

[Chorus:]

It's been a long time coming
I'm jumping off this reckless pity train
I'm all cashed out on your lovin'
I've paid my dues honey, you can keep the change

I know how to nurse a bad heartache and
I can make it worse when I want to feel the pain
But it ain't, ain't getting me nowhere

I know how to cry a river, I know how to drown
Put that anchor 'round my ankles and let it take me
down
But it ain't, ain't getting me nowhere

[Chorus:]

It's been a long time coming
I'm jumping off this reckless pity train
I'm all cashed out on your lovin'
I've paid my dues honey, you can keep the change

Keep the change, keep the change
Keep the change, keep the change

[Chorus:]

It's been a long time coming
I'm jumping off this reckless pity train
I'm all cashed out on your lovin'
I've paid my dues honey, you can keep the change

I've paid my dues honey, you can keep the change
