Why do I love you  
Why do I love you  
Oh, I give myself away  
I give myself away

I had it coming  
For holding on to nothing  
Oh knowin' you won't change  
You'll never feel the same

Chorus  
Oh, but I'm so weak  
I've lost my strength  
To fight such a liar  
That's filled me with desire

Why do I miss you  
I'm dying just to kiss you  
Oh, I give myself away  
Yeah, I give, I give myself away

Chorus

Why do I love you  
Why do I love you  
Oh, I give myself away  
I don't wanna give myself away  
Well I don't wanna give myself away  
So why do I love you
