When I go to sleep  
I never count sheep  
I count all the charms about Linda  
And lately it seems  
In all of my dreams  
I walk with my arms about Linda

But what good does it do me  
For Linda doesn't know that I exist?  
Can't help feeling gloomy  
Think of all the lovin' I've missed

We pass on the street  
My heart skips a beat  
I say to myself, "Hello, Linda"  
If only she'd smile  
I'd stop for a while  
And then I would get to know Linda

But miracles still happen  
And when my lucky star begins to shine  
With one lucky break  
I'll make Linda mine

So miracles do happen  
And now my lucky star begins to shine  
With one lucky break  
I'll make Linda mine
