[Danny:]

Watch me Levitate, Levitate, Levitate
Away from you
As I close my eyes
I can see the light
As I Levitate, Levitate, Levitate

[J-Dog:]

Somethings ringing in my head
And I wish that I was dead
The sound of all the wishes
Echos in this vicious
Soft-toned silence
Breaks up the violence

Cuz I know were to go
When I feel all alone
And I have no story so
Nothings said in stone
Keep leaving, leaving me to go
But you don't seem to understand
THAT I DON'T HAVE A HOME!!

[Danny:]

Watch me Levitate, Levitate, levitate
Away from you
As I close my eyes
I can see the light
As I Levitate, Levitate, Levitate

[Charlie Scene:]

..
Being like me is like being insane
Your going and dang
You end up like lil' wayne

Keep pushing like the american
Tragedy you are
Drggin under a car

Cuz we cant always show you
The way

You know you'll have to
Obey
We cant consume
YOU WAGE!!!

[Danny:]
Watch me Levitate, Levitate, Levitate
Away from you
As I close my eyes
I can see the light
As I Levitate, Levitate, Levitate

[Da Kurlzz (scream riff)]
Look what you did to me
How did I do this?!
Bleeding from my scars
Ya know they ain't just marks
I'm sure ill die before you
Just LEVITATE!!!!

[Danny:]
Watch me Levitate, Levitate, Levitate
Away from you
As I close my eyes
I can see the light
As I Levitate, Levitate, Levitate
