-Whispered-

Now I can see your pain I'm sorry.  
I cried so hard. [x2]

The necks of this youth,  
With their necks through this noose  
Were told lies like it's truth  
And we suspect that it's you  
So you strap 'em with the a-k  
It's Mother fuckin' mayday  
They swear I'm fuckin' crazy  
'Aint nothin gonna save me  
I'm breakin, I feeling  
I'm naked I'm kneelin  
I'm shakin I'm reelin  
My god I keep bleedin  
I watch the world die through crimson eyes  
I cry, it turns to night  
I die, I see the light  
And now I'll say goodbye

Now I can see your pain I'm sorry  
(GOODBYE)  
I cried so hard  
Now I can see your pain I'm sorry  
(GOODBYE)  
I cried tonight

If I could take all this pain away  
Use the rage of our youth today  
Whose to say that it's you to blame  
It's the people above you  
The ones who say that they love you  
Look what the world has come to  
So now it's time to say "Fuck you"  
If you they care then they drug you  
And no ones there when they numb you  
Fill you with terror and crush you  
Pretend they care as they shove you  
So you look to me to find the truth  
And what I say is what you do  
But everyone you look up to

Is really as fucked up as you  
Time is getting shorter  
With these enforced disorders  
And we get blamed and pushed around  
Whose the fucking villian now?

Now I can see your pain I'm sorry  
(GOODBYE)  
I cried so hard  
Now I can see your pain I'm sorry  
(GOODBYE)  
I cried tonight

We can't stop now  
Were so close now  
Cause these times are almost over  
I wont give up  
So god save us  
It feels like were getting closer  
We can't stop now  
Were so close now  
Cause these times are almost over  
I wont give up  
So god save us

Now I can see your pain I'm sorry  
(GOODBYE)  
I cried so hard  
Now I can see your pain I'm sorry  
(GOODBYE)  
I cried tonight  
(GOODBYE)  
I cried tonight  
I cried tonight
