Charlie Scene:

It's Charlie scene! He aint ever lookin cheesy.
It's Charlie scene! It aint easy being sceney.
If I was you, I'd hate me too. We can take it to the

parking lot like 82, AND BRING YOUR CREW!
And I'd hate to be the one to break the news,
whoever chipped matties tooth
I'll shank you too! BITCH!
That night at 82 the parking lot was stacked
I grabbed my gat and got my hand stamped by matt
I could barely walk around cause the dance floor was
so packed
I walked to the back and lit off some black cats - BAP
BAP BAP hahaha!
Scene kids, tired of gettin picked on by mean kids
and i'd hate to be obscene kid, but have you scene my
penis?
(I HAVE)
I know you have, cause that shit is bomb
My dicks got more friends then Tom
These scene clubs I run these, I should write the book
how to be scene for dummies!
