End of the Line (interlude)

Written By Holy Hustla.

It is the end of the line
We've come too far and didn't realize
That the situation we were in was wrong.
Girl you know that I love the way you put it down on me
I love the way you speak with me baby
The situation's gettin bad
We've got to split this up
Got to call it quits
Baby girl, got to make amends
Can't fall into sin
Cause girl you know we've gone to far
It's the end of the line. - - - (And my mind is like).

Girl you know that we've come too far in this game
It was good while it lasted
But we didn't see the real thang
It was love at first, but then we start to fall into sin
And you know what I mean. - - - (And my mind is like).
If we waited for the right time right place right situation
And let God lead us, in to each others arms
But now it's the end of the line
We've come too far and didn't realize
That the situation we were in was wrong, was wrong.
