[Debbie]

Some times you feel like you can't make it.

Feel like the pain so hard can't take it

Friend of mine I want you to know, my God will never let
you go

So all I gotta say today, is dat help is on the way

Yher.

[Holy. H]

Help is on da way

Yher I've heard it before

Help is on the way

But I can't see it no mo'

I wanna know if it's really comin for sure

Coz I can't take the pain no mo'.

I wanna live my life to the bomb

Don't wanna be boneyard young

I wanna keep da word like smoke to a puffers lung ---

smoke to a puffers lung

Don't wanna catch the vapours

Gotta be myself never mind tha haters

Some times it's like I don't even care no mo'

Cause every day I still hustle 'n' struggle a new deal

anyway

Yo.

[Debbie & Holy. H] (Adlibs through out)

[D] - Know you know your pain is over.

[H.H] - Yher I know it's over now.

[D] - Can I say that I told ya?

[H.H] - See I know you told me.

[D] - All you had to do was pray to tha farther

[H.H] - Now I know

[D] - But it's alright now, alright.

[H.H] - Yher.

(Adlibs fade out).
