My Genesis.

Written by Holy Hustla.

My life my be a little different than yours
But we can go around the world and we can take a few
tours
Open a couple of doors for kids with no places
Boys and girls were their fathers don't wanna see their
faces
Set games and races
Be in a garden with daffodils, roses and daisies.
This ain't really my genesis, this is my revelation.
Holy Hustla strait out of New Inspiration

Like I was strait out of Compton or something.
I was born in 89
Started spittin lyrics in 99 but the lyrics weren't even
mine
I'm 15 now and I'm spittin my lyrics fine.
I'm sick like a criminal when it comes to beating
demons down
Cause it was the Book, Jesus Christ Lord and Savior I
found
Or found me.
My Genesis, Holy Hustla.
