Here i pray tonight the gods of war  
To meet my end in battlefield  
The strength of hate is guiding me  
To kill and slay with no remorse

To fight to kill for honour  
Fight and kill tonight for honour  
Fight and kill tonight for honour  
Fight and kill tonight for honour

Metal warmonger the valkyries fly  
Screaming for vengeance hear my battle cry

Metal warmonger pleasures of the war  
Ecstasy of battle slaughterin' 'em all

Is the road to valhalla  
Kill the enemies and die

Like a hero of a legend  
Born with a heart of a

Metal warmonger the valkyries fly  
Screaming for vengeance hear my battle cry

Metal warmonger pleasures of the war  
Ecstasy of battle slaughterin' 'em all
