When the true Heavy Metal is crackin' in my ears  
I feel the power just straight to the heart  
No compromise! No Falsity!  
I'll never follow some fuckin' trend

Is the True Heavy Metal that we defend

United we fight until the end  
Is the true Heavy Metal that we defend

Forever we'll keep the faith

Alive and proud, 'cause we are Metallians  
Alive and proud, we are no posers  
And we'll not betray the faith into your heart

Metallian ... I keep the faith  
Metallian ... I don't betray

Some people will say : "...this song is so stupid !"  
But this is my way and I could not care less  
No compromise! No falsity!  
I'll never follow some fuckin' trend

Is the True Heavy Metal that we defend  
United we fight until the end  
Is the true Heavy Metal that we defend  
Forever we'll keep the faith

Alive and proud, 'cause we are Metallians  
Alive and proud, we are no posers  
And we'll not betray the faith into your heart

Metallian ... I keep the faith  
Metallian ... I don't betray
