I'm 74 years young
There ain't nothin' I haven't done
I've been a dog, and I've been a tom cat
I've chased some tails an' I left some tracks
I still know how to have my fun
'cause im 74 years young

Got a few good tricks, up my sleeve
I know everything that a good woman needs
I show respect an' i treat 'em right
They all keep coming back night after night
When it comes to lovin' I ain't never done
I'm 74 years young

I've been all around the world
Everywhere's home
Drink wine with kings
And the rolling stones
I got a few scars from the battles I've won
'cause im 74 years young

(solo)

I've been all around the world
Everywhere's home
Drink wine with kings
And the rolling stones
Got a few scars from all the battles I've won
I'm 74 years young

74 years young
I'ma keep on having fun
When i get to the end of the line
I'll show Saint Pete just a real good time
But tonight i feel like I'm 21
I'm 74 years young

When it comes to lovin' I ain't never done
Cause im 74 years young
When it comes to lovin' I ain't never done
I'm here to tell you I say I'm, 74 years young

74 years young...
