Strange brew -- kill whats inside of you.

Shes a witch of trouble in electric blue,  
In her own mad mind shes in love with you.  
With you.

Now what you gonna do?  
Strange brew -- kill whats inside of you.

Shes some kind of demon messing in the glue.  
If you dont watch out itll stick to you.  
To you.

What kind of fool are you?  
Strange brew -- kill whats inside of you.

On a boat in the middle of a raging sea,  
She would make a scene for it all to be  
Ignored.  
And wouldnt you be bored?  
Strange brew -- kill whats inside of you.

Strange brew, strange brew, strange brew, strange  
brew.  
Strange brew -- kill whats inside of you.
